

Cabbage

[CB35-50 - Golden Cross Improved Cabbage Seeds](#)

45 days. Brassica oleracea. (F1) Golden Cross Improved Cabbage. This early maturing plant produces very flavorful heads of cabbage. The heads average 6 to 7 inches in diameter and weigh 2 to 2 ½ lbs. One of the earliest maturing cabbages around. It matures extra early with tight softball-size round heads. Small plants allow closer spacing in the garden or for growing in containers. An excellent choice for home gardens.
