

Spinach

[SN11-100 - Matador Viking Spinach Seeds](#)

45 days. *Spinacia oleracea*. Open Pollinated. Matador Viking Spinach. The plant produces large smooth dark green spinach leaves. Very flavorful. Usually steamed or boiled for nutritious greens and used to make an exciting salad. Also great for canning and freezing. Used widely in Italy in pasta & risotto. Suitable for container gardening. A slow bolting variety. An excellent choice for home gardens. A 1933 heirloom variety from Italy.
