GE1-1 - Vegetable Garden Seed Row Planter

Vegetable Garden Seed Row Planter

All-in-one Seeder/Feeder. This handy device plants the seed, fertilizes, covers the seeds, and then it marks the row - simultaneously! It comes with 6 seed plates. It plants over 31 varieties! The unique side-by-side hoppers permit simultaneous planting and fertilizing. It has a 5 lb fertilizer capacity. Special flow control enables "just right" application rate. The hopper design allows easy removal of excess contents. Adjustable depth shovel permits planting at each variety's ideal ground depth. After planting and fertilizing, the rear wheel covers the seeds automatically. The automatic row marker keeps your garden orderly. Useful pouch holds garden plans, notes, gloves, other items. This is a must for a serious gardener.

GE3-1 - Heavy Duty Wood Utility Garden Cart

Heavy Duty Wood Utility Garden Cart

Revolutionary 3-way gate locks tightly to transport big loads securely. It swings open to release loose loads like topsoil quickly, or lift off to unload bulky loads like firewood. Some assembly required. Big 11.3 cubic foot model can carry up to eight times the load of a common wheelbarrow. Maximum load capacity: 400 lbs. Wheels: 2 pneumatic. Wheel diameter: 26". Dimensions: 68"L x 37"W x 29-1/2"H.

GE5-1 - Handy Garden Caddy

This garden caddy is great for working in the garden. The comfortable tractor seat swivels and can be adjusted heightwise. It has a 300 lb weight capacity. It is constructed with a heavy duty steel frame with a weather resistant powder coated finish. It has big 10" pneumatic tires.

SS0 - Seeds Sprouter

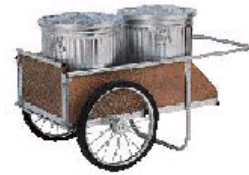

With this two tiered seed sprouter you can harvest fresh sprouts in 2 to 7 days! Easy to use sprouter allows for easy viewing and monitoring of sprouting seeds. It has enough room to grow several different kinds of sprouts at one time!

GE2-1 - Economy Wood Utility Garden Cart

Economy Wood Utility Garden Cart

Revolutionary 3-way gate locks tightly to transport big loads securely. It swings open to release loose loads like topsoil quickly, or lift off to unload bulky loads like firewood. Some assembly required. Maximum load capacity: 300 lbs. Wheels: 2 semi-pneumatic. Wheel diameter: 20". Dimensions: 50"L x 30"W x 23-1/2"H. Cargo Capacity: 6.5 Cubic Feet

GE4-1 - Steel Garden Cart

This cart easily attaches to your lawn tractor. It has a load capacity of 10 cubic feet, 1000 lbs. The hopper is electric welded and has a black powder coat finish. It has an easy dump release and a removable tailgate. Hopper Size: 42" x 29 1/2" x 12". Tires: 16" Pneumatic Tires with Recessed Wheels.

GE6-1 - High Wheel Cultivator

This old fashioned cultivator is the hottest selling garden tool today! This handy device furrows, weeds, plows, and mulches. Great for those energy and ecology conscience gardeners. It comes with 3 interchangeable attachments: cultivator, plow, and shovel. It has a strong 24" wheel. This is a must for a serious gardener.
