Perfect for vegetable trays! Great for dips, stuffed with cheese, or shish kabobs. Keeps well for a long time without refrigeration.

**HP2034-10 - Zavory Hot Peppers**

90 days. Capsicum chinense. Open Pollinated. Plant produces high yields of 2 ¼” long by 1 ¾” wide hot peppers. Peppers have little heat, if any, and turn from green to red when mature. It has loads of Habanero flavor without the heat! Great in salsa, soups, and salads. Also great stuffed with cheese and baked. Scoville Heat Units: 100.
