

## Blue-Black Tomato

### TM780-10 - Indigo Blue Beauty Tomato

80 days. Solanum lycopersicum. Open Pollinated. Plant produces high yields of 4 to 8 oz red beefsteak tomatoes with blue-black coloration. They are very sweet, juicy, and flavorful. Perfect for sandwiches, salads, and slicing. It is a cross between Beauty King and a blue tomato. Crack resistant. Plant has good foliage protecting tomatoes from sun scald. Hold well on the vine until you are ready to pick them. Always a great seller at Farmer's Markets! Excellent choice for home gardens and market growers. Indeterminate. Certified Organic.
