78 days. *Solanum lycopersicum*. Open Pollinated. Gulf State Market Tomato. The plant produces excellent yields of 6 to 8 oz pinkish-red tomatoes. They are smooth and very flavorful. A good all-around tomato. Perfect for sandwiches, salads, slicing, and canning. An old market variety that has proven itself for generations. Suitable for the Gulf states as well as other parts of the country. It excels in the Southern states where high heat and humidity are common during the summer. Crack Resistant. An excellent choice for home gardens and market growers. An heirloom variety dating back to the 1930s. United States Department of Agriculture, PI 270190. Indeterminate.
