

Year 1962

HB86-500 - Dark Opal Purple Basil Seeds

1962 All-America Selections Winner!

80 days. *Ocimum basilicum*. Annual. Open Pollinated. Dark Opal Purple Basil. The plant produces good yields of beautiful shiny deep purple basil leaves with pink flowers. Very fragrant and tasty with a strong pepper-tasting basil flavor. Used as a garnish, in salads, and to make flavored vinegar. Good type for drying. Suitable for containers. An excellent choice for home gardens.
