Year 1962

HB86-500 - Dark Opal Purple Basil Seeds

1962 All-America Selections Winner!

80 days. Ocimum basilicum. Annual. Open Pollinated. Dark Opal Purple Basil. The plant produces good yields of beautiful shiny deep purple basil leaves with pink flowers. Very fragrant and tasty with a strong peppertasting basil flavor. Used as a garnish, in salads, and to make flavored vinegar. Good type for drying. Suitable for containers. An excellent choice for home gardens.
