

Shallots

SH3-50 - Ambition Shallots

120 days. Allium cepa. (F1) The plant produces high yields of 1 ½ to 2" diameter shallots. Perfect for salad dressings, sauces, meats, and soups. Stores well, they'll store for 60 to 90 days, so you can expect storage through spring. With this French shallot, you can get nearly 2 dozen shallots from every seedling you transplant. An excellent choice for home gardens and specialty market growers. A long day variety.
