

Asparagus

AS7-25 - Millennium Asparagus Seeds

Asparagus officinalis. (F1) Millennium Asparagus. The plant produces heavy yields of large uniform stalks of dark green asparagus. Asparagus is a perennial vegetable, so you plant it just once and enjoy season after season. A higher proportion of male plants, which means plants produce more spears than seeds, resulting in higher yields. A super disease resistant variety. An excellent choice for home gardens, farmer's markets, market growers, open production, and commercial production. A variety developed by the University of Guelph in Ontario, Canada. Disease Resistant: CLS, FCRR, R.
